## You Are Invited To An Open House

January 6, 2012

Dear Eighth Grade Students and Parents,

University Schools is currently in the process of beginning our selection for next year's classes. Each year, in order to maintain our targeted high school enrollment, we draw 25 – 35 additional students for the ninth grade class from our lottery application files. We also anticipate openings for tenth through twelfth grade. This provides a unique opportunity for students who are interested in joining our school community.

University High School offers a comprehensive, rigorous academic curriculum and a broad co-curricular and athletic program in a safe and personalized learning environment. We have small class sizes (15 – 24 students) within a pre K – 12 setting. Our educational program is designed to ensure that graduates are prepared for success in college, careers and community leadership. Originally known as the Laboratory School at UNC, we are now a Greeley-Evans District 6 public charter school. We have been educating leaders, lifelong learners and caring citizens for 119 years in the Greeley community.

If you are interested in applying to University Schools, you are invited to attend an informational open house on January 18, at 6:00 p.m. in our auditorium. You may also wish to visit our website at: <http://www.universitieschools.com> Applications are available on the website or at the school at 6525 West 18<sup>th</sup> Street. Please feel free to come by or call if you have questions.

Yours truly,

Holly Sample, High School Principal  
(506-7003)

Dr. Sherry Gerner, Director  
(506-7001)
