

Fall Fundraiser

Parents and Friends of University Schools:

As many of you know, our USPTO sponsors many activities to enrich the education of our students. Most of these activities require a large financial commitment which makes fundraising necessary. Our USPTO is excited that we have chosen to partner with 360 Fundraising to run our fall fundraising campaign.

The program we have selected is their Reserve Collection Brochure. This brochure features frozen treats including cookie dough, braided bread, sweet rolls, and pretzels, as well as coffee and cheesecakes. In addition to the products listed above, you may also order on-line from our gift catalog. The catalog features gift wrap, candies, candles, and other gift items. More information about on-line ordering will come home with your student's fundraising packet.

Your participation is greatly needed. The money raised will be used for teacher requests and classroom and student enrichment materials. Every student at University Schools will benefit from this fundraiser! The sale dates are **August 24 through September 7.**

Please keep in mind this is not a door-to-door selling effort. Your assistance in helping your student with this fundraising program is greatly appreciated. Our goal is not only to raise needed money, but to keep this short, simple and fun. If the time commitment for selling is prohibitive to you, we will be accepting monetary donations that will be put directly toward our Teacher Grants. We thank you in advance for helping to make this campaign a huge success!

Thank you,

Sherry Gerner
Director of Schools
