

COMPUTER LAB USER AGREEMENT

I agree to abide by the rules and expectations for students using computers in the University Schools computer labs. Furthermore, I will use the equipment respectfully and report all equipment damage and problems to the attending lab supervisor or teacher. As a user, I agree not to tamper with or hack into other user areas. I am aware that this is unethical and illegal. I will respect the staffs requests and rules while using the computer labs.

University Schools Computer Lab Rules:

1. Misuse or abuse of computer equipment will not be tolerated.
2. Games that have not been approved may not be played on the school computers.
3. Violent and/or inappropriate language is unacceptable.
4. Pornography or sexually inappropriate material may not be accessed in the computer labs.
5. Permission to use educational chat rooms must be received from the lab technician or teacher.
6. Food and/or drinks are never to be brought into the computer labs.
7. Downloading from the Internet is not allowed.
8. Permission to print off the Internet must be received from the lab technician or teacher.
9. Logging off after use is required.
10. Modifying the computer in any way is not allowed.
11. I understand I can lose the privilege of using school computers if I do not comply with these rules.
